

Business Manager Survey

Are you powerfully running your business, or is It running You? Is Managers Training right for you? These questions will help you determine if your business is running at peak efficiency. There are no right answers, and no magic score. This is just a chance to think clearly about whether or not you (and your business) are ready for change.

	Yes	No
1. Do other people often misunderstand what you are trying to say?	_____	_____
